

PILLOW PROGRESSION

GOOD

GELLED MICROFIBER

- Soft, consistent filling does not shift or clump
- Luxurious down feel without odors, allergens and sharp quills
- Pure cotton percale cover

GEL CONVOLUTION

- Removable convoluted Dough® memory foam core encased in Gelled Microfiber™
- Different levels of customizable support for all sleeping positions
- Luxurious down feel without odors, allergens and sharp quills
- Pure cotton damask stripe cover

BETTER

ZONED DOUGH

- Dough® formula creates a softer, more supportive memory foam
- Ventilated for increased air circulation and breathability
- Zoned comfort cradles the head while supporting the neck
- Rayon from bamboo velour removable cover

SHREDDED LATEX

- 100% natural Talalay latex, no synthetic additives
- Micro Shreds allow for adjusting of pillow to many shapes
- Consistent filling does not shift or clump and has quick loft recovery
- Rayon from Bamboo velour removable cover

BEST
